Supervisors Override Planners on LG Med Group Parking Request

SAN DIEGO (CNS)—A variance was granted to a group of Lemon Grove doctors, enabling them to add to their facilities without providing the 99-year lease on an area for off-street parking that the County Planning Commission requested.

The Lemon Grove Medical Group for months has been seeking a front-yard variance for property between Olive and Main streets, to use the area for parking of cars.

The commission turned down the request and ordered the doctors to find space they could rent to provide the parking required under the residential-professional zoning on their land.

The doctors then came to the commission with a year-to-year lease on railroad land and a five-year lease on land owned

by Dr. W. R. Herbert. The latter lease had two five-year renewal provisions.

The commission ruled that the zoning ordinance requires "permanent" off-street parking. It interpreted this to mean 99 years.

Merrill B. Weber, business representative of the Lemon Grove Medical Group, appeared before Supervisors Tuesday and asked them to over-rule the planning commission.

The doctors are willing to provide the parking, Weber said, but have been unable to get a 99-year lease. He added that the space they can get is about 6,000 square feet less than the area required by the planning commission.

Upon the motion of Supervisor David W. Bird, the Board voted unanimously to over-ride

the commission and give the medical group the variance as requested.

LG Demos Have Formal Opening

A capacity crowd greeted the guests of honor at the formal opening Friday night of the Lemon Grove Kennedy-for-President headquarters at 3455 Imperial Avenue (Grove Theatre Building). They were California State Treasurer Bert Betts, Lemon Grove, and Assemblyman Sheridan Hegland, La Mesa.

In a brief speech, Betts urged a "yes" vote on Propositions 1 and 4—the former being the California water program which is calculated to bring water to this traditionally dry area, and the latter a proposal to increase the pay of state legislators. In regard to the first, he called attention to the vital and ever-growing need of this area for water; and, in the second instance, stressed the increasing load on the legislators both during and between regular sessions of the state legislature.

The new Democratic campaign headquarters, sponsored jointly by a newly-formed "Citizens-for-Kennedy" group, Mrs. Jo Ann Jacobsen, chairman, and the older Lemon Grove Democratic Club, Mrs. H. J. Warner, president, appears to have met a local need, as many of the area's Democrats have availed themselves of the opportunity to obtain stickers, buttons, and other campaign materials. The headquarters will be open daily through November 3, 10 a.m. to 4 p.m., and Friday evenings 7 to 9; visitors welcome.

If a voter doesn't want to send a request in to have a ballot mailed to them, they may go to the Registrar's office after October 19 and may take care of the request in person. This includes voting if so desired.

"It must be stressed," Sexton said, "that a signature for each requested ballot must be included with the request. It must also be stressed that absentee ballots will not be sent out until October 19, and that requests will not be accepted after November 3."

Eleven Stores Pledge More Open Nights

Eleven Lemon Grove business firms last week formed a voluntary group pledged to stay open on Monday and Friday nights.

A spokesman said that the pledge was to encourage more local shoppers to take advantage of the business community's shopping features. Personalized service, comparative prices and adequate free parking are among the features.

The eleven firms initiating the movement includes:

Marders Stationery
Linda's
The Highlander
Patricia's
Childrens Bootery
Gouldin's Style Shop
Dena's
L. G. Department Store
Calder's Toy Town
C. P. Appliances
Karl's Shoes

Action Postponed On Lemon Grove Shopping Center

SAN DIEGO (CNS)—Action on the request of Chula Vista Councilman Peter De Graaf for a zone change to permit a shopping center in Lemon Grove was put off until December at last week's session of the County Planning Commission.

De Graaf is asking for commercial zoning for 15 acres on Sweetwater road, south of Blossom lane.

The delay was granted at De Graaf's request, to permit him time to submit a subdivision map showing how he plans to develop his land.

County School Needs to Double, Counsel Tells District Officials

SAN DIEGO (CNS)—County school districts in the coming decade will have to buy as much land again as they have acquired since they began operations many years ago.

This is revealed in a memorandum to school district officials from the county counsel,

Henry A. Dietz, giving advice on the procedures to be followed in condemnation proceedings.

"I have been informed," Dietz says in the memorandum, "that additional school property equivalent to that which already exists will probably be needed in San Diego County by 1970."

"Obviously, this involves millions of dollars in taxpayers' money and, in cases where

negotiated settlement cannot be obtained, then millions of dollars in actual condemnation litigation. We must all, therefore, give pause and consider the methods whereby the school can obtain needed property at a fair price."

In a 10-page memorandum and in 15 pages of sample legal documents, Dietz sets out the procedures to be followed in appraising and acquiring property.

Hospital Contract Awarded to El Paso Man

SAN DIEGO (CNS)—The contract for the building of the new county hospital was awarded to Robert E. McKee, El Paso, Texas, for his bid of \$3,823,650 at Tuesday's session of the County Board of Supervisors.

Some pressure had been put upon the Board, members admitted, to see if the contract could not be given to another bidder, on the basis that more of the sub-contractors would be local firms.

The Supervisors delayed making a decision on awarding the contract until they could have "legal and technical advice."

A breakdown of the bids, made by Jean L. Vincenz, director of public works, showed that about the same number of local sub-contractors was to be used by the low bidder and by those who were higher, some of the latter being San Diego firms.

LG Women's Club Juniors, JC's Co-Sponsor 'Crazy Daze Sale'

The Lemon Grove Junior Women's Club and Lemon Grove Junior Chamber of Commerce have just announced they are co-sponsoring a new and used merchandise sale November 5. Proceeds will go to the further development of Lemon Grove Family Park.

The sale, called "Crazy Daze," first of its kind ever tried by the two organizations locally, will be held in the main auditorium of Lemon Grove Junior High School. Hours will be from 10 a.m. to 5 p.m. Free parking will be available all around the school which is only one block off Imperial at Lincoln Avenue, just two blocks south of Broadway.

"All of the Merchants in the area are helping. They are giving new merchandise for the sale," said Floyetta Teigen, president of the Junior Women's Club. "We are calling everyone in Lemon Grove by phone to tell them about the sale and where to bring the things they wish to sell." She added, "we will take anything a person believes someone else would buy to have for themselves."

Planning is now complete for picking up all the donations for the sale which is just three weeks away.

According to William H. "Biff" Barrett, Lemon Grove Junior Chamber of Commerce President, everyone in the east San Diego County area may contribute their things for the sale.

"According to the plans, Bar-

rett said, we will have pickups on Tuesday and Thursday evenings during each of the next two weeks, as well as all day each Saturday. We have a 24 hour telephone number, HOPkins 3-0377, where persons may notify us of convenient pickup time and type of merchandise they have. Deposit of goods can be made at any of three places in Lemon Grove. "Dena's" womens shop at 7863 Broadway, Folda's Building Materials Warehouse at North Avenue and Imperial, or The Barrett Insurance Agency on North Avenue where Broadway goes into Freeway 94, at College Avenue."

Everyone who believes they have something that could be sold is urged to contact the clubs now at the full-time telephone number or come in to the deposit stations.

"It's easy to see that much has to be done after the donations are in," said Barrett. "We must price the goods, plan for layout on the display tables and hang and tag all donated clothing. In the instance where the merchandise is new we will display it attractively, but sell it a bit at a time. Seven hours will go by quickly and the merchandise would too."

Mrs. Teigen stressed the need for the fund raising "Crazy Sale." "We have needed to grade the "Green Spot" Family Park for a long time. It's time the East San Diego area had another recreation area and this is just the time to develop it. Development will even provide work for some more people."

85 Per Cent Approve Issue

Bonds and authorization for a State loan for building more rooms for Lemon Grove elementary schools were approved by 85% of the voters at a special election in Lemon Grove Tuesday. A two-thirds majority was needed.

Approximately 2,600 residents went to the polls. They voted for \$750,000 worth of bonds like this: yes, 2,132; no, 472.

On State apportionment by which they gave the school district authority to borrow \$1,500,000 to add to the \$750,000 in bonds, all of which will go into the expansion program; yes, 2,115; no, 474.

Byron Netzeley, school district superintendent said the passage of the issues probably would not increase the tax rate. New homes should increase the assessed valuation to provide the added cost, he indicated.

The vote was heavier than in 1958 when a similar issue was voted successfully. At that time 2,370 persons voted.

By precincts the voting was.

Vista La Mesa:
Bonds: yes, 331; no, 99
Loan: yes, 329; no, 101
Junior high:
Bonds: yes, 189; no, 39
Loan: yes, 185; no, 42
Palm Ave.:
Bonds: yes, 326; no, 86
Loan: yes, 321; no, 87
Monterey Heights:
Bonds: yes, 340; no, 84
Loan: yes, 537; no, 80
San Miguel:
Bonds: yes, 333; no, 113
Loan: yes, 381; no, 114
San Altos:
Bonds: yes, 363; no, 51
Loan: 362; no, 50

As a result of the election, every school in the district will have at least one additional room. It will do away with double sessions being experienced by pupils at Mt. Vernon through the fourth grade and in one grade at San Altos.

POLIO CLINIC

The Monterey Heights PTA will sponsor a polio clinic at Monterey Heights school, 7550 Canton dr., Lemon Grove, to-night from 7:30 to 9. Fee will be \$1 per shot. Anyone who hasn't had a booster shot or is due for a booster shot is urged to attend.

Registrar of Voters Reveals Details of Absent Balloting

In order to vote, a voter must register. In order for a registered voter to vote, a ballot must be cast. In order for a ballot to be cast, a voter must go to the polls.

But, if you, as a registered voter, can't go to the polls, for some reason or another, you may still vote. You may use an absentee ballot.

To get a absentee ballot, according to Registrar of Voters C. J. Sexton, a letter or post card requesting the ballot may be sent to the Registrar of Voters, 4005 Roscerans, San Diego 10, California.

The letter, or postcard, must state a reason for the need of the absentee ballot. It must give the registered address of the voter. It must give the address where the ballot is to be sent. It must carry the personal signature of the person requesting the ballot. If there are more than one person requesting ballots via one letter, the signatures of each person must be included with the request. This

is for the protection of the voter, Sexton said.

The signatures are checked against the registration forms signed by the voter when he registered.

Requests for absentee ballots will be accepted until November 3, Sexton added. The Registrar's office will start sending absentee ballots to those requesting them October 19. There will be no ballots sent before that date.

If a voter doesn't want to send a request in to have a ballot mailed to them, they may go to the Registrar's office after October 19 and may take care of the request in person. This includes voting if so desired.

"It must be stressed," Sexton said, "that a signature for each requested ballot must be included with the request. It must also be stressed that absentee ballots will not be sent out until October 19, and that requests will not be accepted after November 3."

VOLUNTEERS NEEDED AT LG REPUBLICAN OFFICE

Mrs. Ethel Harvey, zone director of the Lemon Grove Republican Headquarters, states that the headquarters at 7820 Broadway has much work that can be done by volunteers. Anyone wishing to help will be welcome, she added.

Much of the fanfare accompanying National Newspaper Week has gone into limbo but the event isn't over until the end of the day October 21.

The theme this year was a dandy. "Your Newspaper: Freedom's Guardian," and with the world astraddle a shaky peace of peace the event carried more impact among the free people than ever before.

It took a local Assemblyman, himself a former newspaper editor, to deliver a speech which we thought was effective and thoughtful. Sheridan Hegland told a group of local school teachers, just as newspaper week opened, "The hometown newspaper is the best textbook ever written against Communism," he said. "Page by page, the hometown paper points out those taken-for-granted aspects of the American way of life impossible under Communism."

"Why don't you ask your fellow teachers to use their newspaper with their pupils in this manner: Have the children, with black crayons, cross out every news story, every editorial, every display and classified ad which could not appear in a Communist nation."

"The pupils will have to blot out every news story and every comment on politics. There is only one party in Russia," Hegland said. "The whole church page will go."

"Students will have to cross out every display ad. There is no competitive free enterprise system under Communism. Real estate ads would have to go. There is no home ownership in Russia."

"Let's give the kids an opportunity, by contrast, to reaffirm the American beliefs which make the contents of American newspapers possible. Through the medium of the press, let our children see the Bill of Rights set firmly in printers ink reporting our everyday living," Hegland concluded.

This newspaper has reached a crossroads with this issue. For the first time in its history, two "general" ads are being carried. One is for Camel Cigarettes, the other is Southern Pacific Railroad.

There are many reasons why we are pleased with this development. Advertising, as everyone knows, provides a basis upon which more pages may be run in any newspaper. More pages means more local news for local subscribers.

The more complimentary reason is that these two big firms have found out there is a weekly newspaper, such as this, serving this community, and believe, as we do, that our readers are very important people.

We should like to urge you this week, as we always do, to patronize our local business firms, but if you feel a trip coming on, you might arrange to ride the Southern Pacific

NEWSPAPER TEXTBOOK — Roxi Ryan, Helix High School student, shows Assemblyman Sheridan Hegland how she is using the Lemon Grove Review and Spring Valley Bulletin as textbooks against Communism. She is marking out stories and pictures which

could not be printed in a Communist nation. Because there is only one political party in Russia, all political stories are blacked out. So, too, are the church page and real estate ads, because there is no home ownership in Russia.

Dear Editor:

The article, October 13, regarding the stabbing of a well-known Mt. Miguel athlete at a local drive-in was full of half-truths and exaggerations, all slanted to degrade a boy who has done as much for his school in the field of athletics as any other single person. This boy, Rodger Pickens, after attending a wedding with his girlfriend was accosted by three creeps with a knife. First of all he did not want to fight, especially with a knife, in the second place it was not Rodger, but another boy who broke the car window.

At the hospital he was questioned by a sheriff who reported that Rodger "seemed to be proud of the stabbing and said he would now be the talk of the town". In the resulting confusion Rodger told me that he commented that the incident would undoubtedly be publicized but that he was definitely not proud of it as the report

of the prejudiced officer suggests. Rodger, who gained city-wide fame when he placed first in all Southern California wrestling competition, certainly didn't need this type of publicity to have something to be "proud of". Someone owes this boy an apology.

P.S. I was wondering about the investigating officers' definition of the so-called "joyriding."

Dear Editor:

There is one proposition on November's ballot that we should all be glad to support. That is Proposition No. 5, to raise legislators' salaries to \$750.00 for every month the legislature is in session.

The legislators we send to Sacramento are people we pick out to spend more than \$1,000,000 a year; every year they have to make hundreds of decisions that affect every one of us all the time. Of course we want the best men we can get. But it costs money to leave home and set up another residence in Sacramento. And it costs enough money so that many good men feel they can't afford to run for legislature. The expense of paying legislators something more like what they would be out of pocket for serving in Sacramento is just nothing compared to every other claim on us taxpayers. It would be "penny wise, and dollar foolish" for us not to make it easier for good men to serve us in the legislature.

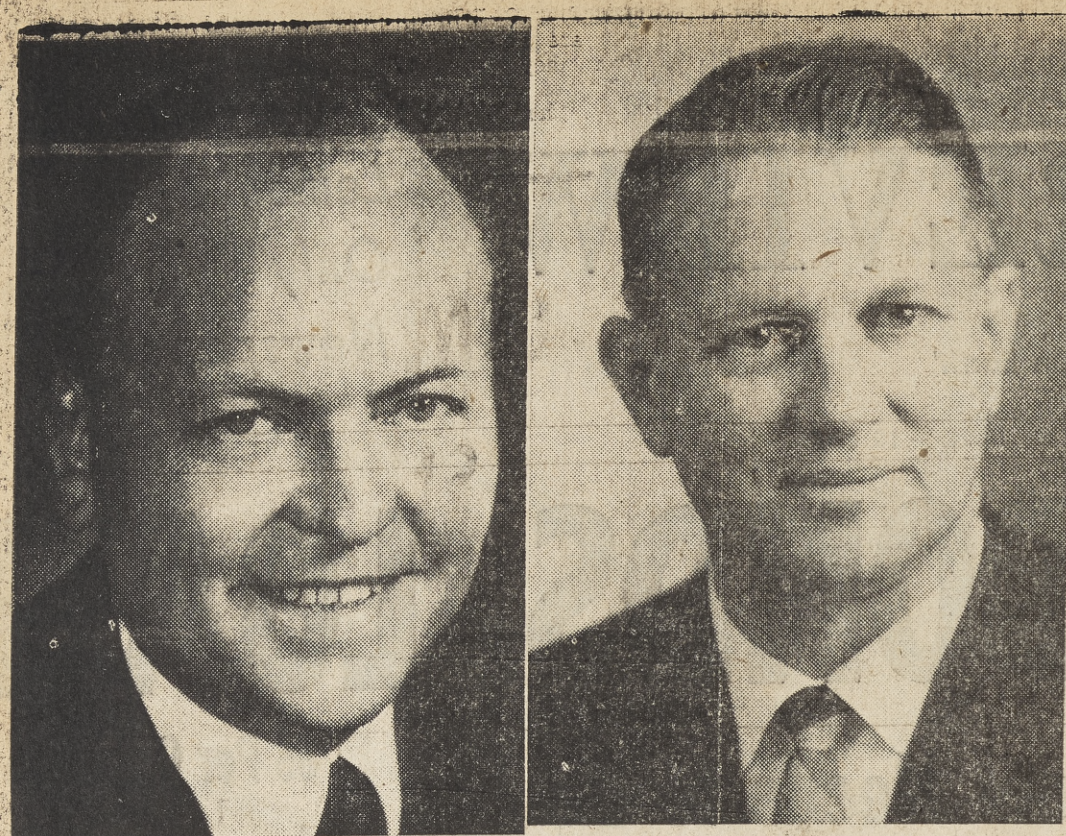

My fellow taxpayers, I heartily urge you to join me in voting for "Proposition No. 5."

Sincerely yours,

News of Spring Valley Estates,

The parents of Rancho Elementary School students will have their first general meeting in order to start organizing the Rancho PTA on October 25, at 7:30 p.m. in the Rancho Auditorium.

Here's hoping that the "infant" gets off to a good start, and finds cooperation, enthusiasm and industry in all their members.

GIRL SCOUT NEWS
The Avondale PTA has elected to sponsor Girl Scout Troop 990. This active troop has, for the past year, been under the leadership of Mrs. Malek and Mrs. Mohr, who have seen that the troop is always in top form by participating in parades, learning different types of dances, helping out at PTA meetings, and learning new crafts.

Another Girl Scout troop has just been formed in our community. This is troop 453, and is under the leadership of Mrs. Pat Turner and Miss Jo Ann Gapp. They have just received an American flag, which once flew over the White House, and hope to have it presented formally to the troop very soon.

CARNIVAL NEWS
The Avondale PTA's Halloween Carnival, will start at 5 p.m. October 31, and promises to be one of the best ever seen. Booths have been planned, food ordered, prizes are being collected, and help is being sought to man the booths. If you can help, contact Bess Maguire, at HO 9-8876.

On sale at one of the booths will be four items received by the Avondale PTA as gifts from the TV show "It Could Be You." These items and their list prices are: one Sta-Rite Overnight Hair Kit, \$14.95; one Sunbeam Deluxe Toaster, \$29.95; one Sunbeam Deluxe Hair Dryer, \$31.95; one Sunbeam Clock, \$27.95. These appliances, which are wonderful Christmas gift ideas, will be sold at a 20 per cent discount, on a first come, first served basis, so start saving.

The Rancho school will have a Cake Walk at Avondale this year since it was impossible for them to ready their PTA in time to plan a Carnival of their own. All proceeds from this Cake Walk will go to their PTA treasury.

WHY???
During the annual PTA membership drive, a small half joking item was put into this column, asking parents to join their PTA units, and why. It was kept small and humorous, in the belief that parents didn't have to be induced to join this of all organizations. I've discovered what a dreamer I am.

The percentage of parents who have joined this year is so low, that I won't even mention the exact figures, but it works out that an average of only 10 per cent of those parents who are not active in the organization have joined. Those who work for PTA, join automatically, for they know how important this organization is to the school, the children, and the community, but unfortunately, they are too few in number to make up the deficit.

Why? Is 50 cents a year, per parent, too much? How much do you spend on movies and comics for the children during the course of a year, and do you believe there are more benefits in these than in the work of the PTA? Is it that your child or yourself has never benefited from PTA work? That they've never had to use the dental clinics, or received their polio shots through their clinics; that you've never had a sixth grader who has been given a send off by PTA; that none of your children belong to the community groups, such as Scouts, Bluebirds, Little League, etc., which are sponsored by the PTA; that your child is not on half sessions partly because of the work the National organizations do on their behalf, or is it that you feel that those who work so hard to coax you to join, should be the only ones to do so—like paying for the privilege.

We're all anxious to know if there is a reason, and would like to hear from you. Send a letter to your PTA in care of your child's school. If, however, there is no reason, join without delay.

MUSIC HATH CHARM
Have you noticed recently, that just at the time when you're trying to fix dinner; separating the eggs with one hand and the children with the other, or just plain tired after a hard day, that there seems to be a spring to your step that wasn't there before, or you're whistling and humming more often than usual. The consensus of opinion is that we owe it all to the Mt. Miguel band who practices at that time. Many thanks to you all. You might just be practicing, but we're listening and enjoying it.

So precious are CARE agricultural tool packages in Viet Nam that the people set up a lending system. A man may borrow one tool at a time and return it to the village warehouse before he may borrow another.

Mt. Miguel Senior Receives Honor

Marjory Kay Irvine, daughter of Mr. and Mrs. H. F. Irvine, 2546 Mercury Ln., Lemon Grove, was among 30 Grossmont Union High School District seniors honored recently for outstanding performance on the National Merit Scholarship Qualifying test given last spring.

John M. Stalnaker, president of the National Scholarship Corporation, stated, "While these bright youngsters did not reach the status of semifinalists in the 1960-61 Merit Program, they were so outstanding that we wish to single them out for special attention. The semifinalists and commended students together constitute less than three per cent of all high school seniors."

Marjory is a student at Mt. Miguel.

Lyndon Johnson Due At El Cajon

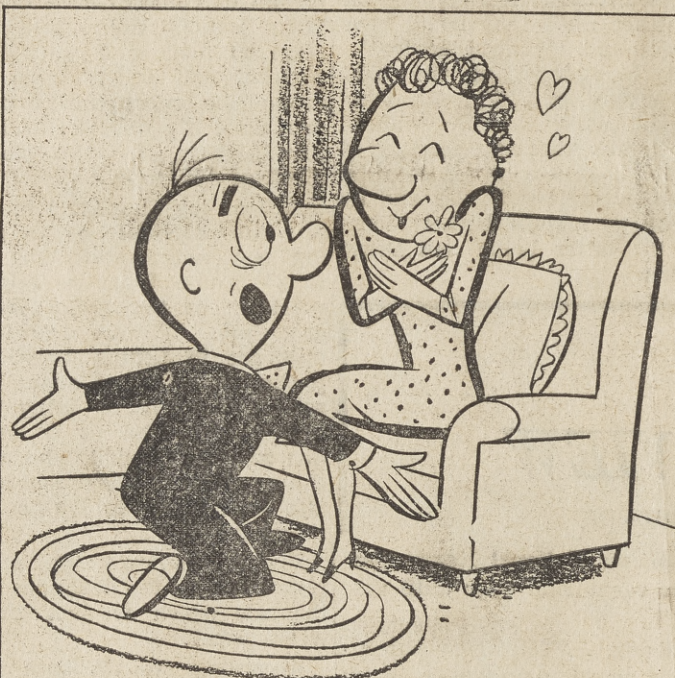

Democratic Vice Presidential candidate Lyndon B. Johnson will visit San Diego Tuesday. The Texas senator will arrive at 4 p.m. at Gillespie Field in El Cajon.

John Straza, president of Straza Industries, an El Cajon electronics firm, said local democratic leaders are planning a rally at the field to greet the party's vice presidential candidate. Straza is general chairman for the Johnson rally.

He said the rally will last until 5:30 p.m. and will be climaxed with an address by Johnson.

Following the rally at the El Cajon airfield, Johnson will motor to San Diego where he will confer with local party leaders and make a half-hour television appearance. (Channel 10).

The Johnson party will leave the city from Lindberg Field at 9 p.m., Straza said.

carrying a package of Camels.

More than 3,500 delegates and guests from 300 of California's 360 incorporated cities will attend the 62nd Annual Conference of the League of California Cities being held October 23-26 in Los Angeles.

The representatives are meeting for the prime purpose of getting more benefits for incorporated cities and, as usual, it appears that they will be successful to some extent. These benefits will be at the expense of the unincorporated or county areas.

One of the areas where the League hopes to make some financial hay is in the distribution of the automobile in lieu tax. Here, again, the formula is that the more the city gets the less will be left for the county areas.

It should be said here again that incorporation is not "bad" for a community such as ours as some of our local dissidents have claimed. What is bad is that we are unable to look out for our community's interests without a city-type, or incorporated community.

This has been proved by the dispersal of our own sales tax under the Bradley-Burns sales tax distribution formula.

A reassuring fact was revealed the other day by Sheriff's Detective Sergeant Robert Ryan who is in charge of the sheriff's detectives in the east county.

Based on criminal complaints for the past 60 days at the headquarters of the east county office in El Cajon, crime incidence is down 25% for the period.

Ryan said he couldn't explain this phenomenon, but that it was a welcome condition he hoped would continue.

Three men have been added to the detective's detail this year, he said. That in itself is a deterrent. Ryan's practice of concentrating his spare time on potential trouble spots, such as drive in establishments with a high complaint ratio, has helped keep complaints low, we are certain.

Hardly a day passes without our seeing Sargeant Ryan, in a sort of mild-mannered Elliot Ness fashion, asking questions, taking notes, and adding to his store of knowledge and information by which he apparently is keeping his finger on the crime-pulse of the community.

By his relentless probing, he has made crime in Lemon Grove and Spring Valley as unprofitable as it is unpopular.

Miguel Students Elect New Scholarship Chapter Officers

New officers for the Mount Miguel high school chapter of the California Scholarship Federation were elected at its first meeting, October 10.

The new president for the ensuing year is Douglas Kirby; Vice President, Phyllis Brady; Secretary, Nancy Grubb; Treasurer, Sherry Lane. Chairmen for membership committees are: Senior Membership, Warren Buckner; Junior Membership, Nancy Grubb; Sophomore Membership, Karen Christy.

Mrs. Ellen Hall, sponsor of the chapter, and president of the CSF district advisors for the coming year, attended the state advisors' conference held at the Statler Hilton hotel in Los Angeles, October 15.

Prominent among the planned activities of the group is the Fall County Convention at the University of San Diego. Mount Miguel high school had the largest attendance at this convention last year, which was held then at California Western University.

The 70 Fall members of the Mount Miguel Chapter are as follows:

Grade Twelve: Kris Amundson, Richard Baker, Warren Buckner, Alice Budzinski, Elise Burdick, Sharon Donnelly, Lois Duea, Peggy Freeman, Susan Gardner, Nancy Grubb, Ron Grunloh, Ken Hedges, Marjorie Irvine, Douglas Kirby, Sherry Lane, Mary Kay Luzak, Janice Martin, Hadley Mills, Carole Urbanac.

Advisory Council Meet Features Panel Discussion, Views Exchange

"What should schools be doing" is a question many people have been asking in these confused times. Next Tuesday, La Mesa-Spring Valley School District's Citizens Advisory Council will give local citizens an opportunity to give their views, according to Mrs. Robert Higgins, president.

The Council has two primary functions, to interpret schools to the community, and to interpret the community to its schools, said Mrs. Higgins. In an attempt to fulfill this latter responsibility the October meeting will be devoted to a compilation of public opinion about education.

Leading off the meeting, to be held at Casa de Oro School starting at 7:30 p.m., Tuesday, October 25, will be a panel composed of a philosopher, a television and speech arts professor, a physicist, and a medical doctor. They will give their own opinions of what a community should expect of its schools.

Following the panel presentation, representatives and guests will divide into discussion groups to agree, disagree, and add their own views. The resulting views will be recorded on tape. If interest warrants, additional meetings may be held

Grossmont Hospital Patients To Vote Via Absentee Ballots

Any patient, registered to vote and admitted to Grossmont Hospital before November 3 and who anticipates confinement until after November 8, will have an opportunity to vote for his favorite candidates, according to L. M. Peelyon, Grossmont Administrator.

"Special arrangements have been made to give every qualified voter confined at Grossmont Hospital during the election an opportunity to exercise his voting privilege," stated Mr. Peelyon. "We have prepared the necessary forms and our staff is ready to assist in providing this important service."

Application must be made in writing no later than November 3, to the Registrar of Voters, San Diego County, San Diego. It must be written on Grossmont Hospital stationery and signed by the patient. Patients admitted to the hospital prior to November 3, and who do not apply for an absentee ballot on or before that date, will not be eligible to apply for ballots after November 3.

Voters admitted to the hospital after November 3 must wait until Election Day to apply for an absentee ballot.

Applications written on hospital stationery on November 8, must show date of admission, signature of patient, and verifying signature of attending physician.

After an application is prepared, a representative of Grossmont Hospital will take it to the Registrar of Voters, where the voter's signature will be verified against the list of registrants. A ballot will then be given the representative for delivery to the patient.

After voting, the patient

seals the ballot in an envelope, which is returned the same day to the Registrar.

If a patient receives his absentee ballot but returns home on Election Day, he may vote at his local polling place but must turn in his absentee ballot at that time.

Voters expecting to be admitted to Grossmont Hospital and confined during election, may call the Admitting Office for further voting instruction.

Cheesecake, the genuine variety, is actually as ancient as the Parthenon. It was the piece de resistance of Greek cuisine, poets wrote sonnets about it, and a village was named for it.

It is truth that we must look for in Holy Writ, not running of words. All Scripture ought to be read in the spirit in which it was written. We must rather seek for what is profitable in Scripture, than for what ministereth to subtlety of discourse.

Christian Science Sermos Stresses Import of Jesus' Victory Over Death

The practical significance for
today of Christ Jesus' victory
over death will be brought out
at Christian Science churches

Death."

Scriptural readings will be

taken from Mark's Gospel

The Golden Text is from I
Corinthians (15:54).

GOD'S MINUTE

REV. H. C. BAKKEN

"GOD'S WORD"

The Bible is God's revelation
of Himself. Man may come to
the conclusion that there must
be a Supreme Being, but man
cannot press into the spirit
world and discover this Being.
Therefore, God comes to us in
the Bible letting us see Him at
work in creation and in human
history. Thus, we discover who
He is and what He is like.

"DIVING GIVES ME A THRILL" — My four kids think I'm off my nut, but I'm no longer in a rut," sings Vini Sozzani as she holds the "whale" she has just "speared." Vini is rehearsing her act, one of 19 to be presented, that will appear in the Lemon Grove Women's Club Junior's spaghetti dinner-variety

show Saturday, November 19, at 7:30 p.m. in the Women's Clubhouse in Lemon Grove. All performers in the annual show are Juniors. The funds collected will be placed in the Junior's philanthropic fund. Vini's swimming pool is the kind found in most homes today. (Staff Photo)

LG Women's Club Juniors Plan 'Musical Grab Bag II'

The Lemon Grove Women's Club Juniors have gone off the deep end again.

Saturday, November 19, at 7:30 p.m. they will have their annual spaghetti dinner-variety show to raise funds for their philanthropic activities.

The dinner, though important, will probably be incidental in comparison to the variety show Musical Grab Bag II. There will be 19 acts that will include 17 Juniors. One of the more or less typical acts will be Vini Sozzani's comedy skit about a skin diver who gets a thrill out of diving.

All the Juniors in the show are mothers. There are approximately 50 children between them and rehearsal has been quite a problem, according to Betty Meads. Every rehearsal entails baby sitting and other home arrangements, she added.

The Balladeers, a nine girl choral group, will open and close the show.

Last year the show brought in \$300 for the club's philanthropic activities, Mrs. Meads said. Also, last year, the show was entered in competition with

other members of the Federation of Women's Club Juniors, of which there are 22 chapters in the San Diego District, and won first place. They placed third in Southern California for all musical efforts.

A point of interest is that Mrs. Sozzani, whose skit would hardly indicate so, was recently named as one of the 12 Women of Valor in San Diego County by the Sisterhood of Temple

Matadors Scalp Braves 20-12; Tough Line Topples Attack

By Bill Ott Jr.

Fine running by halfback Russ Torge and a tough Mt. Miguel defensive line helped the Matadors overcome an early 12-0 El Cajon lead, and topple the Braves 20-12 last Friday night at Mt. Miguel.

Mickey Harders scored the Braves' first tally when he blocked a punt by Miguel's Lanny Morlan and scampered 20 yards into paydirt for the touchdown. The PAT running attempt failed.

In the second quarter the Braves started a drive downfield, and quarterback Bob Hoss scored the touchdown on a 1 yard keeper on the fourth down. The Braves faltered once again in the PAT attempt, but held a 12-0 lead over the Matadors.

Mt. Miguel's Russ Torge started the Matador scoring attack in the second quarter when he hit on an off-tackle play from the 3 yard line of El Cajon. Torge scored the PAT on a run around the left side. The Braves went into the halftime intermission holding a slim 12-7 lead over the Matadors.

Hard play by the Matador defensive unit held the Braves scoreless in the second half, and the Matadors went out in front to stay in the third quarter when quarterback Doug War-

dell went into the end zone on a 1 yard keeper. He added the PAT on a keeper to give the Miguel eleven a narrow 14-12 lead.

Torge iced the victory for the Matador gridders in the fourth stanza on a 6 yard jaunt for the tally. The PAT running attempt by Torge failed, but the Matadors had the 20-12 victory in the bag.

The Matadors are expected to be at full strength Friday night when they journey to Chula Vista to meet the Spartans at 8 p.m.

The Matadors (2-1) are expected to have halfback John

The ride is swift and smooth on a wide-open steel "freeway"—maintained at our expense, not the taxpayers'. No doubt about it, trains are the lowest-cost, most efficient form of transportation for carrying freight overland.

Halloween Window Painting Contest To Attract Lemon Grove Children

Saturday, October 22, school children from Lemon Grove, La Mesa, and El Cajon are being invited to participate in a Halloween Window Painting Contest at College Grove Shopping Center, Highway 94 at College ave.

Students of elementary schools, St. John of the Cross, St. Martin's Academy, Lemon Grove Junior High, and Palm Junior High in Lemon Grove have provided sketches for many of the windows to be painted in the center.

Gift certificates will be given to the winning children.

There will be three categories for each of the two age groups; Best Spook, Most Original, and Most Modern.

Parents and teachers will be on hand to watch the young talent at work. The public is welcome. The paintings will remain on the windows through Halloween day, October 31. They will be judged by qualified members of the Foothills Art Association.

A Halloween Costume Parade will also be held at 10 a.m. the same Saturday. All children participating will parade along the Mall and Concourse of the Center. No entry forms are necessary. There will also be awards given in the three categories as the painting.

Grove Women Win In Bus Contest

Two Lemon Grove residents were judged winners of trips to Disneyland in the "Bus Appreciation Week" contest, according to Cloys J. Frandell, contest chairman.

Winners are: Mrs. E. N. Hiles, 3197 Crane st., and Ann C. Liebig, 3495 Citrus st.

They, together with 16 other winners from the firm's service area, will collect their reward Saturday. They will leave for Disneyland from the downtown plaza at noon Saturday.

A book of Disneyland ride tickets and dinner at the Chicken Plantation for the winner and guest will be included.

Scratcher Is Dead But His Memory Lingers On

An empty house stands alone at 1530 Walbollen in Spring Valley Estates.

The house belonged to Scratcher, and Scratcher belonged to 13-year-old Sue Ann Peverly.

Scratcher was just a baby, only three months old. He was part cocker, part dachshund, and all Sue Ann's.

Scratcher is dead now. The other night, about 6:30, around the intersection of Teartton and Welbollen, someone ran over and killed Scratcher. As far as anyone knows, they didn't stop.

Not too long ago the Peverly family was in an automobile accident that injured Mrs. Peverly to the extent that she couldn't take the care of her home that she wanted. Sue Ann took over, and Scratcher was her reward for a job well done.

Sue Ann misses Scratcher, as do many of the children that passed the Peverly home on the way to Avondale school. She wants her pet back, but this can't be done.

No other pet can ever really take the place of Scratcher in the heart of this little girl, but a new pet would help mend some of the break.

The only thing she has asked is that the person that hit her little pet come out and tell her. Maybe even offer her another puppy then she could be a little bit happier.

Who knows? Maybe a new Scratcher will fill that empty house and an empty heart.

Hospital Board Meets Wednesday

Members of the Board of the Edgemore Geriatric Hospital Auxiliary will meet at 10 a.m. Wednesday, October 26 at the home of Mrs. Alfred E. Stansbury, 1410 Roxanne dr., El Cajon.

Mrs. Walter Oechel, Auxiliary president, will announce committee assignments of the 17 new members indoctrinated on October 17.

Christmas plans will be the main order of business.

Ghost Town Trip Planned By Historical Society

Highlight of a Union Pacific railroad excursion on Sunday, October 30 will be a visit to the colorful partly-restored mining town of Calico, according to Wally Duthie, excursion director of the sponsoring group, the Railway Historical Society of San Diego, Inc.

Lemon Grove and Spring Valley residents are invited to go along.

Excursionists will travel by private car or chartered bus to Riverside where they will board a special train which will take them to Yermo and a bus connection to Calico.

Calico, established in 1881, had produced more than \$86 million of silver before it folded in 1896.

Photofans can take pictures from an open-door baggage car and a special photo stop is scheduled in spectacular Cajon Pass.

Casa de Oro PTA Halloween Carnival Features Old, New

Something old, something new, will be featured this year at the Casa de Oro PTA Halloween Carnival, October 29, from 5:30 to 9:30 p.m., at the school.

The new, says PTA President Mrs. Richard Wilson, there will be a "Spook House," a "Fortune Teller," and a "Cotton Candy" booth. As for the old, there still will be the "Fish Bowl," the "Balloons" and "Dart Game" booths, as well as many others.

Prizes this year will be determined by a point system, to insure all children of better prizes. There will be five points awarded if you win and two points if you lose. Add up the points for the greatest number for a better prize.

Articles for the White Elephant both (always popular), sewing for the bazaar, and other items for the Country Store, will be needed.

Mrs. Wilson says she and her committees hope that all persons of the area will come early and eat in the cafeteria. There will be tacos, hamburgers, hot dogs, and baked beans as the main course. But watch for the complete menu, to be sent home from school, Mrs. Wilson says.

"We need your help," is the SOS sent out by the Carnival committees. In order to make this year's Casa de Oro Halloween Carnival a success, as in other years, offer your services by calling Mrs. Leonard Binder, HO 9-1345, or Mrs. Richard Wilson, HO 9-4201.

3rd Graders Visit Harbor Facilities For 'Columbus Day'

Third graders at Vista La Mesa School last week celebrated Columbus Day with a trip to the San Diego Harbor. Although they had to substitute the Pacific for the Atlantic, the field trip to the harbor added realism to the discovery of America as they observed ships of many kinds.

The planned tour was part of a social studies project on the San Diego area. The boys and girls observed first hand the operation of a ferry, the buoys and ships in the harbor, and the U.S.S. Ticonderoga at North Island.

Following the water tour, the class visited the Children's Zoo and viewed the Seal Show. They also had a ride on the longest moving sidewalk in the world.

Accompanying the class were Mrs. Martha Whaley, teacher, and Mmes. Helen Reed, George Jenkins, Jean Shrinkle, Richard Wrightsen, Verne Buchanan, and E. M. Villarino.
